

E-Mail List

The Windygap Regulators and The Revengers of Montezuma have a large, optional, e-mail list that is used to inform its members and participating non-members about Cowboy Action Shooting news for our club and other clubs in the area.

All addresses will be hidden from now on for your protection, except for the recipient, and the list is not used for any other purpose. It is not used to broadcast junk mail or items not associated with the sport of Cowboy Action Shooting™. If you would like to be added or deleted from the list, please email Stumble Leena at target7@beyondbb.com and request to be "Added or deleted" from the "Cowboy E-mail" list. Care is taken to enter the e-mail address that the shooters place on their match registration forms. Unfortunately, some addresses are incorrect, or unreadable.

If an address is returned, as undeliverable two times, it will be deleted from the list. This includes "full" mailboxes more than three times. If you are not getting weekly reminders about upcoming shoots and events, please submit your address again via email to target7@beyondbb.com.

Some Spam Blockers will return E-mail to us. If this happens two times in a month, your address will be deleted from the list. Other Spam controls will place bulk mail in your Spam folder, so check for re-routed E-mails and, if possible, add the Windygap Regulators at target7@beyondbb.com to your accepted E-mail listings. - Piedra Kidd
